(Honorable Mention)
Department of Psychology, Chungnam National University, Daejeon, South Korea

CLINICAL EXPERIENCE

Clinician (Full-time, Paid) 2023–Present
Daejeon Junggu Community Addiction Management Center, Daejeon, South Korea
Setting: Government-funded outpatient center for addiction treatment and prevention
Population: Individuals and families affected by substance and behavioral addictions (e.g., alcohol, drugs, gambling, internet)
Role: Delivered individual and family counseling (intake, treatment planning, crisis intervention, case management) for more than 100 clients; administered and interpreted psychological assessments (MMPI-2, TCI, SCT, and full battery); adapted and facilitated *Community Reinforcement and Family Training (CRAFT)* model for group sessions conducted weekly for three years; analyzed regional addiction and mental health data (more than 500 survey responses) to inform planning and reports; led prevention initiatives; managed administration and budgeting to ensure compliance with government financial and reporting requirements

Counselor (Part-time, Paid) 2021, 2022
Chungnam National University Student Counseling Center, Daejeon, South Korea
Setting: University-based counseling center providing phone-based academic and psychological support
Population: Over 200 undergraduate students on academic probation
Role: Connected students to appropriate university services (e.g., academic advising, mental health support) based on individual needs; conducted structured tele-counseling sessions focused on academic motivation, time management, and emotional regulation

Graduate Student Clinician 2020–2022
Psychological Growth and Self-Regulation Center, Chungnam National University, Daejeon, South Korea

University-Based Practicum
Setting: University counseling center and community schools
Population: University students, community adults, adolescents (general and at-risk)
Role: Provided individual counseling and assessments under supervision; delivered school-based smoking prevention and cessation programs; led reform of counseling fees and clinician compensation models; developed remote counseling protocols and onboarding manual

Support Program for Adolescent Smokers (Government-Funded Project)
Setting: Adolescent smoking cessation and prevention program
Population: Middle and high school students at risk for smoking and substance use
Role: Provided school-based psychoeducation focused on smoking prevention and cessation; contributed to curriculum development and session design; delivered 10-session individual counseling for adolescent smokers
PI: Sungkun Cho | *Source:* Ministry of Education of Korea | *Period:* 04/2020–12/2020, 04/2021–12/2021
Project Budget: $11,667–$16,667

Outreach Psychological and Emotional In-Depth Assessment (Government-Funded Project)
Setting: Outreach mental health screening and support for vulnerable adolescents
Population: Middle and high school students with emotional and psychological vulnerabilities
Role: Administered and interpreted psychological assessments (e.g., MMPI-A, J-TCT, SCT-A); provided individualized feedback sessions under supervision; conducted short-term (five-session) crisis counseling
PI: Sungkun Cho | *Source:* Ministry of Education of Korea | *Period:* 04/2021–11/2021
Project Budget: $15,000

RESEARCH EXPERIENCE (*N*=4)

[1] **Lab and Research Center Operations Support (Addiction Behavior Research Center)**
PI: Jueun Kim | *Source:* Chungnam National University
Role: Assistant Researcher | *Period:* 03/2023–02/2024 | *Project Budget:* $840

[2] **A Longitudinal Study on Genetic and Temperament Profiles as Indicators of Change in Gaming Addiction**
PI: Jueun Kim | *Source:* National Research Foundation of Korea
Role: Assistant Researcher | *Period:* 09/2021–02/2022, 09/2020–11/2020 | *Project Budget:* $50,000

[3] **Study on Robustness of Scientific Evidence Regarding Gaming Disorder**
PI: Woo-Young Ahn | *Source:* Korean Ministry of Health and Welfare & Ministry of Culture, Sports and Tourism
Role: Assistant Researcher | *Period:* 09/2020–04/2021 | *Project Budget:* $109,966

[4] **Development of Community-Based Psychological Support Service Manuals for Elderly and Disabled Patients with Chronic Illnesses**
PI: Sungkun Cho | *Source:* Industry-Academic Collaboration Project
Role: Assistant Researcher | *Period:* 06/2020–11/2020 | *Project Budget:* $9,167

[5] **Chungnam National University Addiction Behavior Research Center**
Director: Jueun Kim | *Source:* Department of Psychology, Chungnam National University
Role: Undergraduate Research Assistant | *Period:* 09/2019–02/2020

TEACHING EXPERIENCE

Statistics in Psychology II (undergraduate course) Spring 2020
Department of Psychology, Chungnam National University
Role: Teaching assistant; delivered weekly tutorials on statistical software (SPSS and Jamovi) and core statistical concepts; assisted in grading and evaluating student performance
